

EXCLUSIVE WEBINARS – GRAB THE OPPORTUNITY!

Water Today has been successfully organising webinars, 1-day training programs and Master Class Programs for Water/wastewater treatment professionals. We understand the pulse of our audience and from time to time their requirement and the need of the subject.

Here, we would like to offer to organise exclusive webinars for your organisation wherein the experts and senior management can have live interactions and also recommend, advice or answer to the live audience.

SPONSORSHIP PROGRAM

Take advantage of this exciting new sponsorship program! The Water Today Webinar Series can draw more than 100 attendees for each session. This comprehensive webinar can cover a wide-range of topics, which draws an outstanding segment of industry professionals. The Webinar Series Sponsorship Program can offer two options for participation, depending on your desired level of involvement; by invitation only or Free for all.

SPONSORSHIP OPPORTUNITIES

For sponsors interested in higher visibility, this option includes an opportunity for the sponsor to speak as a knowledge expert in addition to having their company logo represented throughout the presentation. Free to everyone to attend, the speaker can keep the session engaging, or small group of speakers, delivers content to an audience who participate by submitting questions, responding to polls and using other available interactive tools.

SPONSORSHIP BENEFITS

- The sponsor name will be integrated into the program in order to ensure attendees become familiar with the personnel and expertise of the sponsor. A pre-approved representative from the sponsoring company will serve as the knowledge expert for the presentation.
- Sponsor logo displayed throughout the webinar.
- One time use of live attendee list (including emails)
- The sponsor name will be advertised on the event landing page, promotional broadcasts, and on Water Today's e-magazine website.
- The sponsor will be the exclusive sponsor for the webinar event.
- Post Event Thank You Email with Sponsor Information.
- Sponsor logo will be shown and company name will be mentioned at the beginning and end of the presentation.
- We also record the webinars and would share the recording so you can watch them at any time.

WHO WILL YOUR COMPANY REACH BY SPONSORING WATER TODAY WEBINAR EVENT?

Water Today's Webinar events reach a wide variety of company positions including C-level leadership, to treatment plant operating professionals and individuals looking to further develop their professional skills. Attendance varies in number and audience based upon the type of offering.

We can provide you statistics like event's attendees, event ratings by attendees, polls, feedback of the event to assist you for your feedback and other analyses.

Online training and webinars are one of the ways we do that is by offering educational and networking events. These events not only give you profound visibility, but also help you connect with industry professionals, end user companies and who operate water and wastewater treatment plants.
